

Summary Of International Biodiversity Day Celebration

Baba Mastnath Ayurvedic College and Hospital celebrated International biodiversity day 2023 in the college campus. It was two days collaborative program of SBMN Ayurvedic College and Haryana State Biodiversity Board. The International Biodiversity Day aims to promote the understanding and awareness about issues of biodiversity conservation increase action to conserve and sustainable use of natural resources.

The theme of 2023 is “**From agreement to action: Build back biodiversity**”. It provides an occasion to the importance of biodiversity for our mother earth sustenance as well as urgent need to protect and conserve it. We dedicated two days i.e. 23rd and 24th May for this celebration.

On the **first** day we organized various types of competitions among the students. Total 120 students actively participated among the various activities like Poem recitation, Nest making, Paintings, Poster making etc. Judges from the Forest department had declared their result and announce the winners on second day of the celebration.

On the **second** day, Our Chief guest IFS Smt. Renu Bala (District conservator of forests) , Pro-chancellor of the University Dr Anjana Rao ,Vice chancellor Dr R S Yadav and Principal Prof. Ajay Dahiya planted the saplings of medicinal plants in herbal garden of SBMN Ayurvedic College. Apart from this three groups of students from Department of Ayurveda, Department of Physiotherapy and Department of Sciences; also planted the saplings.

After this, program was continued with the motivational lecture given by DR Chanchal (Assistant professor, Botany). In her lecture she told about the importance of biodiversity in our daily life and culture and it is very essential to conserve it. After that our chief guest **IFS Smt. Renu Bala Sharma** addressing the event and said that it is our responsibility to preserve our diversity for future generations and bring awareness to society. Vice Chancellor gave a motivational speech and thanks to the HSBB for this event. At last program is ended with the Vote of thanks given By Dr. Puneet Sharma. Total 200 students and 34 faculty members attended this event.
