Constituent of Baba Mastnath University, Asthal Bohar Rohtak

Sewage Water Treatment Plant

Summary

The purpose of the visit was to familiarize the students with the procedure of municipal wastewater treatment and use.

BAMS 3rd year BMU Faculty of Ayurveda Rohtak organized a visit to sewage treatment plant PGIMS Rohtak on 7th April 2021 for a group of several students of BAMS 3rd year. By prior permission granted from SWT PGIMS Rohtak. The faculty member Dr.Puneet Sharma Dr. Yogesh Jakhar accompanied students.

STP PGIMS has treatment capacity and was established with an objective to follow the wastewater disposal standard by RPCB/CPCB

The visit includes presentation and demonstration by team member of project engineers, who explain all the details and benefit of project.

The visit was quiet helpful for the students to get practical knowledge regarding Functioning and process of municipal wastewater treatment plant.
