Subject:- Denial of Permission to Shri Baba Mastnath Ayurvedic College, VPO. Asthal Bohar, Distt. Rohtak-124021, Haryana (Inst. ID:- AYU0036) with an intake capacity of 100 seats in UG (BAMS) course and 07 PG course with 35 seats in the subjects namely (i) Shalakya – Netra Roga Chikitsa- 02 seats & Shalakya- Karna, Naasa and Mukha Roga Chikitsa – 03 seats (ii) Rachna Sharir – 05 seats (iii) Kriya Sharir- 05 seats (iv) Kayachikitsa – 05 seats (v) Panchakarma – 05 seats (vi) Ayurved Samhita & Siddhant- 05 seats and (vii) Agad Tantra avum Vidhi Vaidyaka – 05 seats for the academic session 2026-27 under section 28 & 29 of NCISM Act, 2020 and relevant regulations thereunder-reg.

Sir/Madam,

1. Visitation of your institution namely, **Shri Baba Mastnath Ayurvedic College, VPO. Asthal Bohar, Distt. Rohtak-124021, Haryana (Inst. ID:- AYU0036) was conducted on 22.05.2026 and 23.05.2026 and re-visited on 13.08.2026 to 14.08.2026 on Hybrid mode** by the visitation team of Medical Assessment and rating Board, NCISM, as part of the annual visitation process to verify the physical presence of teaching faculty, non-teaching, Hospital staff, and to assess the availability of practical training and other infrastructure facilities available during working hours.

2. Upon examination of the AEBAS record and observation Report, irregularities were observed in the Biometric Attendance System (AEBAS) records of the teaching faculty, along with other discrepancies were also noticed during the course of the visitation as detailed below.

3. Therefore, in adherence to the principles of natural justice and in accordance with the provisions of the Regulation 55(7) of the Minimum Essential Standards, Assessment and Rating for Undergraduate Ayurveda Colleges and Attached Teaching Hospital, Regulations, 2024, your institute was granted an opportunity of personal hearing on **05.09.2026** to appear before the designated Hearing Committee appointed by the President, Medical Assessment and Rating Board, NCISM to present your case and clarify the above position.

4. **The submissions furnished by you during pre-hearing and during hearing proceedings, and the observations made by the Hearing Committee, are as under: -**

Shortcomings informed	**Clarification given by the college**	**Observation of the hearing committee**
	Clarification vide ref. no. BMU/FOA/2026 dated 02.09.2026.	**Hearing was attended by Dr. Manish Sharma, Principal and During hearing virtual link was sent to the college which was attended by Kirti sindhu office superintendent and Dr. Gita DMS at 01:09 PM.**
1. **Teaching Pharmacy:-** a) Functional Status is non-satisfactory. b) Sitting Arrangements is not adequate. c) Equipment status is non-satisfactory. d) Infrastructure is not adequate.	**1. Teaching pharmacy:** Teaching pharmacy is fully functional with adequate seating arrangements. Teaching pharmacy has in house facility of medicine preparation. (Photographs of teaching pharmacy, indent registers, dispense register attached).	Submitted geotagged photos of the pharmacy along with medicine preparation register during virtual hearing pharmacy was visited and machine and equipment were verified but it does not prove the regular functionality of the Teaching Pharmacy. **Submission is not considered.**
2. **Biometric attendance:-**	**2. Biometric:**	CCTV footage of AEBAS

a) System to track attendance for non-teaching staff and hospital staff is not available.

b) **AEBAS as per Visitor observation:** The CCTV arrangement for the AEBAS machines was not found to be compliant with the prescribed norms. Of the two AEBAS machines, one was non-functional, and the CCTV system time was not synchronized with real time.

c) 06 teaching faculties are not fulfilling the minimum requirement of attendance as per concerned regulation-

2(c)1. Candidate was on medical leave and expired on dated 08.07.2026 (medical documents submitted).

2(c)2. Dr Ajay Dahiya (AYKS, Dr. Ketan (AYKS) and Dr. Sohini (AYKS), three higher faculties are already in their departments, Dr. Priya Patil was relieved from the institution after departmental promotions on 01.06.2026.

2(c)3. Dr. Sajin was relieved from the institution on 30.07.2026 after new joining of DrGargi.

2(c)4. Prior informed) Out station leave

2(c)5. Out station leave and faculties in the department is as per norms.

2(c)6. Dr. Rajiv Kumar Yadav was relieved on 01.06.2026. Total teacher in the department was 05 so he relieved after the promotion of Dr. Gautami from Associate professor to Professor.

attendance is submitted from17/05/026 till 29/06/26 but no face was identifiable. College has confessed that NCISM guidelines were received but are not followed by the institution. There is only 1 Tablet linked with AEBAS portal but college has submitted that there are 2 devices on which the attendance is marked. Based on the suspicious activity and non-submission of CCTV footage of 2nd device the data submitted by the college can be sent for forensic verification.

In one of the videos the device was in hand of the person and not fixed which again indicates the suspicious activity of the college.
During virtual visit second AEBAS machine was not fixed and was found on the table with no CCTV access.
Submission is not considered.

2©1As per college submission teacher was deceased on 08/07/26 (death certificate not submitted). But, college has not submitted any proof regarding attendance shortage from 22/05/26 to 23/05/26

(c) 31 Teachers have applied for the temporary registration with the Haryana Board but is pending since 04/05/26 and out of 31 teachers only 7 have received their temporary registration.

Submission is considered.

(d) Regarding short coming of the UG Teaching staff

1. College has appointed Dr. Tushar (AYRB00874) as Professor in the department of Ras Shastra on 25/05/26 but he was not present on the day of visitation and no CCTV or geotagged pictures were submitted by the college to prove his regularity

Submission is not considered.

2. Dr Shikha (AYSV00733) was promoted as Reader in the department of Swasthvritta on 12/08/26. The shortcoming does not pertain now for reader but it creates a shortcoming of 01 LF.

Submission is considered but shortcoming of 01 teacher persist.

3. College has appointed 1 Assistant Professor(Dr. Kadambari AYKB01526) in department of Kaumarbhritya on 30/05/26 26 but she was not present on the day of visitation and no CCTV or geotagged pictures were submitted by the college to prove her regularity

MOU signed with S D College of pharmacy & Vocational Studies, Bhopa Road, Muzaffarnagar, Uttar Pradesh valid till 23.04.2028 was verified and found to be correct. **Submission is considered.**
9. **Visitors observation-** a) Operations are poorly managed with an impermissible mixing of distinct clinical streams. b) Ayurveda, Physiotherapy, and Dental patients are processed through a single central registration counter. c) BMW management is not followed in all OPDs. d) Patient inflow not matched as claimed in records. e) IPD data, fabricated data is submitted to team. f) The Indoor Patient Department (IPD) is completely non-functional;					(a) **Operations & Clinical Streams** The observation regarding the mixing of clinical streams is factually incorrect. We have central registration counters and examination rooms are strictly allocated for Ayurveda, Physiotherapy, and Dental streams. Signage has been prominently updated to guide patients independently to their respective departments without any overlap. (Photographs of registration counters and department signboards) (b) **Central Registration Counter** Separate and dedicated registration counters are operational exclusively for the Ayurvedic hospital. While a common multi-facility campus entrance exists, patient routing for Ayurveda OPD/IPD is entirely isolated and managed by dedicated Ayurvedic registration staff.	(a) Common central registration counter was accepted by the college for Ayurveda, Eye, Dental and physiotherapy and geotagged picture of OPD was submitted. Submission is considered. (c) BMW was verified through bills but during virtual visit BMW management was not followed in Kaumarbhritya, Kayachikitsa and Prasuti OPD. **Submission is not considered.** (d)to (h) OPD & IPD records

wards lack essential medical infrastructure and contain only randomly placed iron beds.

g) No nursing staff or any other medical officers were present at their designated duty stations. Management attributed the total vacancy of the IPD to ongoing renovation work over the past two months; however, staff statements indicate that construction has been ongoing for over a year. Furthermore, the Central Pathology Lab, the General Operation Theatre (OT), and the Labour OT/ward are entirely non-functional, with equipment and tables covered in heavy layers of dust.

h) During physical verification, the claimed patients were not found admitted in the IPD, resulting in a significant discrepancy between the records submitted and the actual patient status observed at the time of verification. Furthermore, the available staff were found to have inadequate awareness regarding their assigned roles and responsibilities.

i) The RachanaSharir (Anatomy) department exhibits deficient hygienic standards; the dead body preservation tank is contaminated with fungus, preservation tools are neglected, and dissection tables and instruments are unusable.

j) HOD cabins for KriyaSharir, AgadTantra, Rasa Shastra, Swastha, Dravyaguna, Shalya, and Kaumarbhritya are either locked, neglected, or lack sufficient seating.

k) The Samhita Department's Language Lab is located distantly in a separate third building, and its activity register contains no entries.

l) PG students were largely absent during the inspection, and attendance logs are legally flawed; students mark "P/A" (Present/Absent) instead of providing verifiable signatures. College has not submitted any leave records of PG students. PG students are not marking their attendance on AEBAS.

m) Academic staff are not aligning their teaching with the new Competency-Based Dynamic Curriculum (CBDC) syllabus, and NLA activities—along with their related record keeping—are totally absent. Teachers are completely unfamiliar with the new syllabus and its implementation. Consequently, students receive

(OPD slip sample attached for reference)

(c) Biomedical Waste (BMW) Management

BMW management protocols as per statutory guidelines are strictly implemented across all OPDs and wards. Color-coded bins (Yellow, Red, Blue, White) are placed in every department with daily log maintenance and proper disposal records.

(d) & (e) Patient Inflow & IPD Data Authenticity

All patient data submitted is authentic, transparent and recorded in real-time through our computerized hospital management system. The fluctuations noted during the visit were temporary due to and authenticated renovation and construction daily case sheets validate the claimed patient inflow.
(Daily OPD/IPD registers attached)

(f) & g) IPD Functionality, Wards, and Infrastructure

The IPD is fully functional and operational. Renovation and maintenance work were being carried out in a phased manner in isolated sections which was misconstrued as long-term non-functionality. All wards are fully equipped with proper medical infrastructure, functional beds and necessary equipment. Essential equipment in the Central Pathology Lab, General OT and Labour OT has been thoroughly cleaned, calibrated and certified operational. No equipment is covered in dust.
Current geo-tagged photographs of functional IPD wards, Central Lab and Ots along with indoor case files of currently admitted patients is attached.
Duty roster of hospital staff is attached for reference.

(h) Patient Status in IPD & Staff Awareness

Patients were indeed admitted and receiving treatment during the physical verification, however some patients had temporarily stepped out for diagnostic investigations or outside the hospital as we have local patients at the exact moment of inspection. All available nursing and medical staff have been re-oriented regarding their duties and a mandatory briefing session has been conducted to ensure complete awareness of hospital protocols.
(Patient admission ticket counterfoils and signed attendance register)

(i) Rachana Sharir Department Hygiene

The Rachana Sharir department maintains high standards of hygiene. The dead body preservation tank has been cleaned, fresh preservation fluid has been replenished and all dissection tables and instruments are polished, sterilized and fully usable for student practical.
Recent high-resolution photographs of the preservation tank, dissection hall and instruments.

(j) HOD Cabins Status

All HOD cabins (Kriya Sharir, AgadTantra, Rasa Shastra, Swasthavritta, Dravyaguna, Shalya, and Kaumarbhritya) are fully open, accessible, adequately furnished and regularly occupied by respective faculty members during working hours.
Photographs of operational HOD cabins with seating arrangements and nameplates.

(k) Samhita Department's Language Lab

The Language Lab is structurally designated within the campus framework to optimize space and minimal requirements. Regular interactive sessions are conducted here and the activity register has been updated with regular student entries and lesson plans.
Updated activity register copies and student attendance logs for the Language lab

were matched through registers but, authenticity of the data cannot be verified and during virtual visit patients were sitting in OPD waiting area but IPD section found to be non-functional as patients seem to be fabricated and college has low connectivity.
Submission not considered.

(i) Pictures of the clean Dead body preservation tank were submitted.
Submission is considered.

(j) Regarding HOD cabins for KriyaSharir, Agad Tantra, Rasa Shastra, Swastha, Dravyaguna, Shalya, and Kaumarbhritya geotagged pictures with teacher's name was submitted but these chambers are near Principal office and not in the respective departments.
Submission is not considered.

(k) Regarding Samhita Department's Language Lab being located distantly in a separate third building, and its activity register was submitted but it does not prove any substantial proof.

Submission is considered.

(l) AEBAS attendance of the PG staff is not available and no CCTV footage of the PG students was submitted by the college.

Submission not considered.

(m) CBDC curriculum was verified through PA and Lesson plans

Submission is considered.

(n) CBDC curriculum was verified through PA and Lesson plans and pictures of NLH(P) was submitted by the college.

zero clinical exposure. First- and second-year undergraduate students 22 receive no practical training, and teaching laboratories are non-functional and covered in dust. n) Second-professional students, who commenced their term in May, confirmed during interactions that no practical sessions have been conducted. Senior faculty members and Professors are unfamiliar with basic modern teaching terminologies. o) Impermissible co-location and running of external courses (physiotherapy and dental programs) within the core Ayurvedic hospital premises. p) The institutional premises are compromised by the overlapping operations of external non-Ayurvedic courses. q) Attendance register of teaching faculty was found incomplete no naming available for current month and even most of faculty not signing in the register since June.	**(l) PG Student Attendance and AEBAS** PG students are regular and active in their clinical and academic duties. Instructions have been strictly enforced for all PG students to register and mark their daily attendance exclusively via AEBAS. Manual logs showing "P/A" was previous practice and have been completely replaced by verified biometric outputs and formal leave registers. (PG student AEBAS registration details attached). 8(m) & n) CBDC Curriculum, Practical Training, and Faculty Familiarity All academic staff are fully conversant with the Competency-Based Dynamic Curriculum (CBDC) syllabus and modern teaching methodologies. Regular LH, NLHT and practical sessions are actively conducted. UG and PG students receive continuous clinical exposure and teaching laboratories (Rasa Shastra, KriyaSharir, etc.) are fully equipped, functional, and actively used for practical classes. (Master timetables, syllabus implementation records, student practical record books and NLHT and NLHP activity reports). University has its own LMS portal. (Screenshots of employee and student's login is attached) **(o) & p) Co-location of External Courses** While multi-disciplinary programs run under the overarching university framework, the core Ayurvedic college, hospital and its infrastructure operate in a clearly demarcated, dedicated zone without any operational compromise or overlapping of clinical premises. (Institutional campus zoning map showing segregated boundaries for the Ayurvedic College and Hospital). Shri Baba Mastnath Ayurvedic college has its own separate ayurvedic hospital with 180 beds, dental and physiotherapy OPD uses only two rooms and are adjuvant and as service providers in OPD section. Physiotherapy college is separate identity and in separate building/ floor. There is no mixing of ayurveda, physiotherapy and dental patients. They have separate OPD and IPD numbers. **(q) Teaching Faculty Attendance Register** The manual attendance registers for teaching faculty have been duly updated, signed and regularized for the current month. Alongside AEBAS integration, physical sign-in records are regularly maintained and up to date. (Copies of the current month's faculty attendance registers).	**Submission not considered.** (p) Location of all the buildings with running courses was verified through map. **Submission is considered.** (q) Attendance registers were submitted and verified although there is irregularity of the teaching staff since June 2026 and college has extended Summer vacation for the month of July 2026 without any intimation to NCISM. **Submission not considered.**
10. CoA for the academic session 2026-27 is not submitted.	CoA for the academic session 2026-27 is not available. Remark: Continuation of affiliation from SBMN University is attached.	**COA was verified for the session 2026-27**

5. Moreover, as outlined in the communication vide letter ref.no.3/2024/MARB/General Matters dated 10.02.2025, the verification of daily attendance in AEBAS and CCTV footage of registering the attendance in AEBAS device is a Standard Operating Procedure (SOP) approved by the Medical Assessment and Rating Board for verification of the faculty who are physically absent but present only on-paper, which emphasize the critical importance of proper maintenance of CCTV surveillance system along with footages and AEBAS devices. Therefore, in adherence to the principles of natural justice and in accordance with the Regulation 55(7) of the Minimum Essential Standards, Assessment and Rating for Undergraduate Ayurveda Colleges and Attached Teaching Hospital, Regulations, 2024, an opportunity of personal hearing was also granted **from 31.08.2026 to 03.09.2026** to the suspected teaching faculty members as mentioned above, to make their submission before the designated hearing Committee. The submissions furnished by the suspected teachers during pre-hearing and during hearing proceedings were assessed by the Hearing Committee as per concerned regulations.

6. Accordingly, the observations of the Hearing Committee were placed before the **176th Board Meeting of MARBISM held on 07/09/2026. The Board approved the observations of the Hearing Committee and concluded that –**

- To Grant permission to the college for the academic session 2026-27 after deducting the proven on-paper faculty and applying the approved punitive policy for the academic year 2026-27.

- To Impose a **monetary penalty** of Rupees One Crore (₹1,00,00,000/-) on the institution in accordance with Section 28(1)(f) of the NCISM Act, 2020, and **in exercise of the powers conferred under Regulation 71(3)(1) of MESAR UG Ayurveda, 2024 as fourteen faculty members were proven to be working only on paper and therefore, could not be considered as regular teaching faculty as communicated vide letter dated 09.09.2026**.

7. In accordance of the decision taken in the aforementioned Board meeting, a monetary penalty of **Rupees One Crore (₹1,00,00,000/-)** has been imposed on your institution and same was communicated vide letter dated 09.09.2026 and teacher code of fourteen faculty members namely **Dr. Ram Pal (AYKC02677), Dr. Santosh Bhatiya (AYXX00071), Dr. Karan Vir Singh (AYXX00211), Dr. Rajesh Kumar Yadav (AYST00700), Dr. Ashish Champalal Pitale (AYDG00952), Dr. Sachin Gopaldas Rohani (AYRN00595), Dr. Suverna Limbaji Mundhe (AYSS00451), Dr. Kumbhar Ketan Shankar (AYKS00420), Dr. Sushant Vijay Giri (AYRS00550), Dr. Gautami Shripad Desai (AYPS00453), Dr. Arati Abhay kumar Shinde (AYAT00185), Dr. Chakrahari Anandavardhan Raju (AYPK00602), Dr. Sarika Trimbak Shinde (AYPS00958)and Dr. Sanjivani Ashok Jadhav (AYRS00316)** have been withhold for a period of 01 year and same was communicated to the teaching faculty members vide letter dated 09.09.2026. Thereafter reducing the Proven on-paper teacher and applying the approved **punitive policy for the academic year 2026-27, the college does not fulfil the criteria for issuance of permission as defined under:-**

- **As per the punitive policy for the academic year 2026-27 –**

i) **For Teaching staff -**

"For each deficient teaching faculty, seat reduction in the intake capacity shall be considered by reducing the intake strength by 5% of the total intake capacity."

After considering the observations of the Hearing Committee, fourteen (14) teaching faculty members **are proven to be working on-paper teachers and, therefore, could not be considered as regular teaching faculty.**

Furthermore, there are shortcomings of various other teaching faculties which is as under –

Rasa Shastra and Bhaishajya kalpana	**1 P**
Swasthavritta& Yoga	**1 LF**
Kaumarbhritya	**1 LF**

Accordingly, there are shortcomings of 17 (14+3) faculties. Therefore seat reduction in the intake capacity shall be considered by reducing the intake strength by 85% of total intake capacity.

"In case the calculated seat reduction is more than 50% after considering all the deficiency then the college shall be denied permission for the particular academic session"

8. **Further, in accordance with Regulation 55(9) of "Minimum Essential Standards, Assessment and Rating for Undergraduate Ayurveda colleges 2024" eligibility of Extended Permission for the academic session 2026-27 of Shri Baba Mastnath Ayurvedic College, VPO. Asthal Bohar, Distt. Rohtak-124021, Haryana (Inst. ID:- AYU0036) is hereby withdrawn.**
